

DRINK OF THE MONTH

SWEET MUSIC

WHEN YOU'RE IN THE
MOOD FOR A MELODY,
TRY A SEX ON THE PIANO
AT THE SHOUT! HOUSE

This month's featured beverage, The Shout! House's *Sex on the Piano*, is a potent, juice-infused cocktail. A huge hit with the dueling piano bar's energetic patrons, the drink is made with a smooth blend of Stoli Peach vodka, Midori Melon Liqueur and Chambord, shaken with splashes of pineapple and cranberry juices to form a foamy flourish. Unlike its "on the beach" cousin, Sex on the Piano is served in a martini glass, rather than in a highball.
